

**Mortgage Consultant**

**Start Date: through 2012**

Private Finance is an independent mortgage advisor, acting as a private wealth hub, matching high value clients with high value mortgages and associated products and services.

We have plans to recruit another 10 consultants by the end of 2012. The established introducer relationships with several estate agency brands make Private Finance a particularly attractive company to join and therefore increase the quality of consultants wishing to work under the Private Finance brand.

**If you are a high calibre, self-motivated mortgage consultant who is experienced in advising valued clients about bespoke mortgage solutions, then there could be a place for you in our team.**

Our structure is such that we encourage our consultants to achieve the lifestyle they wish. You can effectively stipulate your own income and work to a bespoke target. We may be able to consider a monthly draw, initially, to assist your transition. Payaways are mutually beneficial on certain lead types, and our commission structure to the consultant is generous. There are considerable benefits to generating your own business, yet we also have several valuable lead generating partners that we provide an excellent service to. We encourage our brokers to perform at a level that ensures that our clients enjoy the highest quality of advice and service when arranging their private finance through us.

Administrative support, marketing, accounting and compliance are also provided by Private Finance from a central location.

Various geographical locations are available, and working locations are variable should you wish to work from home, the Hertford office or a serviced office.

The successful applicant will have:

- Proven experience of arranging mortgages for high net worth clients
- Successful attitude to generating new business and working with introducers
- Excellent presentation and professional persona
- Excellent track record in compliance and timely administration
- A strong track record of life and insurance penetration

Please send your CV and a covering letter to: [heb@privatefinance.co.uk](mailto:heb@privatefinance.co.uk)
